- Q. Please provide the ownership share KeySpan (or any affiliate) holds in the Millennium Pipeline. Provide the changes in KeySpan's (and any affiliate) ownership from the date the Millennium Pipeline project was announced to the present day.
- A. KeySpan owns a 21% interest in the Millennium Pipeline Company, L.P., a Delaware partnership which owns the Millennium Pipeline project. KeySpan's ownership is held through its wholly owned subsidiary, KeySpan Millennium, LLC ("KSE Millennium"). KSE Millennium was not an original partner in the Millennium Pipeline and acquired its interest in the Pipeline on August 31, 2004 from Duke Energy.
